

NEWS FROM THE COURTS

It's been a quiet start to the year mainly because of the weather and we're looking forward to spring and the lighter nights when we can get on the courts for longer.

Several members of the committee attended the Recreation Group User Group meeting at the end of January. A clearer picture regarding funding is emerging and although floodlights for the courts were identified as a number one priority in the Aylesbury Vale Sports Audit, it seems we are bottom of the list. To say we are disappointed is an understatement. However, we will continue to work with the Parish Council to do all we can to ensure the project is a success.

In last month's newsletter we told you to look out for free taster sessions and offers. The first of these is an invitation to join a coaching session

with Craig, our club coach. If you're new to tennis or just a bit rusty, come along and enjoy a session with Craig. He'll help you with the basics and give you loads of tips on play. We'll arrange the session to suit the maximum number of people. Email wingtc@outlook.com if you're interested.

We have successful mixed and men's doubles teams playing in both the Aylesbury and District and Milton Keynes Tennis leagues. During January we played matches against Buckingham (won 5:3) and Haddenham (lost 6:2).

So far this year, the weather has certainly scuppered our Sunday social sessions and it's been difficult to get on the courts. As soon as we have a decent day, we'll let you know via the Village Facebook page. Do come over and join us.
